

Compass BPO is a leading provider of Business Process Outsourcing, Accounting and HR services and Systems consulting. We specialize in supporting US Government contractors with DCAA compliant systems, services and reporting.

Compass BPO is a certified Deltek® Partner and reseller in the Middle East.

Compass BPO has recently moved to new offices in the UAE and will be supporting the full range of Deltek products and services with locally based sales and implementation teams.

We deliver end-to-end solutions to our clients including Deltek software sales, implementations, and system hosting. Our services include time card processing, payroll, billing and billing submissions, indirect cost allocations, management accounts, year-end accounts, business performance analysis, EVMS and facilitating DCAA audits.
